

## **Gibraltar Sports and Leisure Authority (GSLA)**

### **Pricing Policy and Tariff for Commercial Groups.**

#### **General Policy:**

The facilities under the GSLA's remit normally available to the local population through membership of relevant sports associations or for casual use through the general public booking system. However, facilities are available to visiting teams, athletes and or commercial groups for either sporting purposes as per the Fees Tariff or for non-sports use as per the Hire of Facility Agreement.

#### **Sporting Use**

Facilities can be provided free of charge for visiting schools/tour groups/teams as long as these groups interact significantly for the duration of their stay with the relevant local schools, associations or both. This interaction needs to satisfy at least two of the following criteria:

- 1) Friendly matches/Competitions/Festivals
- 2) Training camps for local sportsmen/women with visiting coaches
- 3) Coach/Teacher mentoring sessions/workshops with local coaches/teachers.

Should only one of the above be achievable the GSLA will then use discretion and assess the developmental value of the interaction before deciding whether to apply the hire fees.

If none of the above criteria are met (whether through choice or other extenuating factors), the tariff shall apply.

Notwithstanding, facilities will only be made available for hire if rental of such:

- a) Does not impinge/hinder/interfere with any registered sports association's league/training/development schedule
- b) Does not impinge/hinder/interfere with any scheduled school P.E. session/Games session/ Sports Day or related school activity.
- c) Does not significantly reduce the availability of bookings/allocations available to the general public for casual/recreational use.

### **Extra Training Requests**

- 1) When requests for training are received in preparation for or as an extra item to the matches/festivals and local interaction has been assessed and deemed to meet the criteria set under 1), 2) and 3) these will be accommodated free of charge.
- 2) If the criteria under 1), 2) and 3) is met partially then training will be facilitated with a 20% discount applied.

*Conditions a) b) and c) need to be fulfilled at all times*

### **Procedures:**

- The first point of contact for visiting teams/groups/schools is the relevant local association.
- If a local association is interested in interacting with visiting entities, then all subsequent arrangements are to be coordinated between the GSLA's Facilities Department and the local body.
- Should there be no local involvement forthcoming because of lack of interest, unavailability etc. The GSLA can then entertain direct requests from external parties and will apply the pricing tariff.
- Should visiting teams not be interested in interacting with local entities the GSLA will deal with direct requests and apply the relevant tariffs considering Items a), b) and c) of the General Policy.

### **Conditions of Use.**

- The Gibraltar Sports and Leisure Authority on behalf of the HM GoG will not be held responsible for the non-availability of allocations due to inclement weather or for factors which are considered to be out of its control.
- Should the GSLA deem an area unsafe due to inclement weather no use will be allowed unless confirmation is received in writing, that the organisation/entity/allocation holder makes itself fully responsible for the safety of the users. The GSLA will not be held responsible for any injuries suffered in such situations
- Instances where due to unforeseen circumstances, the originally agreed facility is not available the GSLA will endeavour to provide a suitable alternative and will adjust the fees applicable accordingly.
- The GSLA reserves the right to cancel any arrangements or bookings made should the facilities be required for any major event/tournament/competition. In such cases all fees will be reimbursed.
- As with standard policy the GSLA will not make itself responsible for any damage and/or loss to property.
- All playing equipment and peripherals i.e. bibs etc must be provided by the allocation holder.
- Facilities must be utilised adhering to Conditions of Use for specific facilities as approved in Appendix 1.
- The allocation holder will be responsible for damage that is caused to the facility and/or surrounding equipment, spectator stands etc through misuse or abuse of equipment. Any accidental damage is to be reported to the Centre Manager on shift

immediately at which point the damage and its cause will be assessed for potential damage claims by the GSLA.
